国际人工智能大赛（IAIC）介绍

IAIC 是国际人工智能大赛（International Artificial Intelligence Competition）的缩写，该赛事由国际人工智能教育中心（ICAIE）发起并主办。

IAIC 以"未来、梦想、创造、和平"为宗旨，面向全球 3-18 岁青少年及幼儿，致力于推动人工智能教育在全球的发展。该赛事分为美国、欧洲、中国及东南亚四个赛区，每年一月份在各赛区举办选拔赛并于八月份举办国际总决赛。国际人工智能教育中心（ICAIE）总部设于新加坡，该中心与联合国教科文组织及美国、英国、法国、德国、意大利、中国、新加坡、马来西亚等多个国家及知名教育机构建立了合作关系，因此 IAIC 的竞赛成绩受到国际社会的普遍认可。

IAIC is the abbreviation of the International Artificial Intelligence Competition, which is sponsored and hosted by the International Center of Artificial Intelligence Education (ICAIE).

With the purpose of "future, dream, creation and peace", IAIC is committed to promoting the development of artificial intelligence education around the world for children and teenagers aged 3-18 years. The event is divided into four divisions: the United States, Europe, China and Southeast Asia. The trials are held in different divisions in January and the international finals in August every year. The headquarter of the International Centre of Artificial Intelligence Education (ICAIE) is in Singapore, which has established co-operations with UNESCO and the United States, the United Kingdom, France, Germany, Italy, China, Singapore, Malaysia and many other countries and well-known educational institutions. That's why the competition results of IAIC are widely recognized by the international .
