

# International Center of Artificial Intelligence Education

ICAIE 【2021】 NO. 02

---

## Notice on adjustment of International Finals of 2021 International Artificial Intelligence Competition

Organizing Committee of each competition area (China, Europe, Japan, North America, Southeast Asia):

It is hereby announced that affected by the epidemic situation, the IAIC International Organizing Committee decided to suspend the IAIC International Finals in 2021, authorize and support the Organizing Committee of each competition area to change the local trials to the regional final according to the actual situation of the competition area.
