## Notice on the Hosting of the International Finals of the 2025 International Artificial Intelligence Competition (IAIC)

### Organizing committees of each competition:

The International Artificial Intelligence Competition, initiated and organized by the International Center for Artificial Intelligence Education (ICAIE), is dedicated to fostering innovation through artificial intelligence. With the core values of "Future, Dreams, Wisdom, and Creation", this global event brings together young participants from China, Singapore, and Southeast Asian countries through AI-themed competitions and collaborative exchanges. The competition operates in two distinct regional divisions: China and Singapore.

The selection competitions of each division have been completed in 2025. Please recommend outstanding players to participate in the international finals by the organizing committee of each division. The details are as follows:

### **I. Organizational Structure of the Competition**

Host: International Center for Artificial Intelligence Education (ICAIE)

Organizer: YT TRAVEL EDUCATION PTE.LTD (Singapore)

Zhongxin Aizhi (Tianjin) Intelligent Technology Co., Ltd

Co organizer: Snail Walk Artificial Intelligence Education Alliance

### **II. Participants**

7 Up to 15 years old
