ICAIE【2025】01号

---

Contestants can be found on the official website of the competition ( <http://icaie.net/> ) Unified registration (registration channel will be opened later in preparation). After passing the qualification review and screening, various regional selection competitions will be held, and the best candidates will be selected to participate in the global finals. The content and specific rules of the competition are detailed on the official website of the competition.

## **4、 Schedule arrangement**

The competition consists of a selection round and a global finals. After the release of this notice, the organizing committees of each district will organize selection matches according to the actual situation.

The proposed schedule is as follows:

(1) The selection competition will take place from May to October 2025.

(2) In November 2025, the list of global finals will be announced.

(3) The global finals will be held in January or February 2026 (specific time and location will be notified separately)

## **5、 Evaluation method**

1. Each competition project is awarded first, second, and third prizes.

2. Establish awards for excellent organizations and excellent guidance teachers.

## **6、 Other matters**

The competition adheres to voluntariness and fairness, and participants are responsible for their own transportation,
